Fort St. George Gazette - Supply to the Inspector General of Education in Mysore - Your letter No.8473, dated 19th October 1925.

I am directed to state that the Fort St. George Gazette has not been supplied till now to the Inspector General of Education in Mysore. One copy of the Gazette was supplied to the Director of Public Instruction, Mysore and Coorg, Bangalore, who is presumably the same officer as the Inspector General of Education in Mysore. The supply to this officer was discontinued under a misapprehension that he was an officer of the Central Government with reference to the orders regarding the discontinuance of the free supply of priced official publications between the Central and Provincial Governments. I am to express the regret of this Government for the inconvenience caused to the Government of Mysore and to state that the Superintendent, Government Press, has been instructed to arrange for the regular supply, in future, of a copy of the Fort St. George Gazette to the Inspector General of Education in Mysore, Bangalore and also to supply all the available back issues of the Gazette from April 1925.
